Majority Counsel
Senate Select Committee To Study Governmental
Operations With Respect to Intelligence Activities
United States Senate
Washington, D.C. 20510

Dear Mr. Schwarz:

Last night during our conversation, you asked for copies of the Director's 29 August 1973 directives which followed the Inspector General's report of 21 May 1973.

These directives have already been supplied to your Staff. They are covered under Tab 19 in a green notebook sent to you on 1 May 1975.

Faithfully yours,
